[Omit the part struck through and insert the part printed in italic]

A BILL

To provide requirements for the .gov domain, and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

1 SECTION 1. SHORT TITLE.

2 This Act may be cited as the “DOTGOV Online
3 Trust in Government Act of 2019” or the “DOTGOV Act
4 of 2019”.

5 SEC. 2. FINDINGS.

6 Congress finds that—

7 (1) the .gov internet domain reflects the work
8 of United States innovators in inventing the internet
9 and the role that the Federal Government played in
10 guiding the development and success of the early
11 internet;

12 (2) the .gov internet domain is a unique re-
13 source of the United States that reflects the history
14 of innovation and global leadership of the United
15 States;

16 (3) when online public services and official com-
17 munications from any level and branch of govern-
18 ment use the .gov domain, they are easily recognized
19 as official and difficult to impersonate;

20 (4) the citizens of the United States deserve on-
21 line public services that are safe, recognizable, and
22 trustworthy;

23 (5) the .gov internet domain should be available
24 *at no cost or a negligible cost* to any Federal, State,
25 local, or territorial government-operated or publicly
26 controlled entity, including any Tribal government

1 recognized by the Federal Government or a State
2 government, for use in their official services, oper-
3 ations, and communications;

4 (6) the .gov internet domain provides a critical
5 service to those Federal, State, local, Tribal, and
6 territorial governments; and

7 (7) the .gov internet domain should be operated
8 transparently and in the spirit of public accessibility,
9 privacy, and security.

10 **SEC. 3. DEFINITIONS.**

11 In this Act—

12 (1) the term “Administrator” means the Ad-
13 ministrator of General Services;

14 (2) the term “Director” means the Director of
15 the Cybersecurity and Infrastructure Security Agen-
16 cy;

17 (3) the term “online service” means any inter-
18 net-facing service, including a website, email, a vir-
19 tical private network, or a custom application; and

20 (4) the term “State” means any State of the
21 United States, the District of Columbia, the Com-
22 monwealth of Puerto Rico, the Virgin Islands,
23 Guam, American Samoa, the Commonwealth of the
24 Northern Mariana Islands, and any possession of the
25 United States.

1 **SEC. 4. DUTIES OF DEPARTMENT OF HOMELAND SECURITY.**

2 (a) PURPOSE.—The purpose of the .gov internet do-
3 main program is to—

4 (1) legitimize and enhance public trust in gov-
5 ernment entities and their online services;

6 (2) facilitate trusted electronic communication
7 and connections to and from government entities;

8 (3) provide simple and secure registration of
9 .gov internet domains;

10 (4) improve the security of the services hosted
11 within these domains, and of the .gov namespace in
12 general; and

13 (5) enable the discoverability of government
14 services to the public and to domain registrants.

15 (b) DUTIES AND AUTHORITIES RELATING TO THE
16 .GOV DOMAIN.—

17 (1) IN GENERAL.—Subtitle A of title XXII of
18 the Homeland Security Act (6 U.S.C. 651 et seq.)
19 is amended—

20 (A) in section 2202(c) (6 U.S.C. 652(c))—

21 (i) in paragraph (10), by striking
22 “and” at the end;

23 (ii) by redesignating paragraph (11)
24 as paragraph (12); and

25 (iii) by inserting after paragraph (10)
26 the following:

1 “(11) carry out the duties and authorities relat-
2 ing to the .gov domain, as described in section 2215;
3 and”; and

4 (B) by adding at the end the following:

5 **SEC. 2215. DUTIES AND AUTHORITIES RELATING TO .GOV
6 DOMAIN.**

7 “(a) AVAILABILITY OF .GOV DOMAIN.—The Director
8 shall make .gov domain name registration services, as well
9 as any supporting services described in subsection (c),
10 generally available—

11 “(1) to any Federal, State, local, or territorial
12 government entity, or other publicly controlled enti-
13 ty, including any Tribal government recognized by
14 the Federal Government or a State government, that
15 complies with the ~~policies~~ requirements for regis-
16 tration developed by the Director as described in sub-
17 section (b);

18 “(2) without conditioning registration on the
19 sharing of any information with the Director or any
20 other Federal entity, other than the information re-
21 quired to meet the ~~policies~~ requirements described in
22 subsection (b); and

23 “(3) without conditioning registration on par-
24 ticipation in any separate service offered by the Di-
25 rector or any other Federal entity.

1 “(b) REQUIREMENTS.—The Director, in consultation
2 with the Director of the Office of Management and Budg-
3 et, shall establish and publish on a publicly available
4 website requirements for the registration and operation of
5 .gov domains sufficient to—

6 “(1) minimize the risk of .gov domains whose

7 names could mislead or confuse users;

8 “(2) establish that .gov domains may not be
9 used for commercial or campaign purposes;

10 “(3) ensure that domains are registered and
11 maintained only by authorized individuals; and

12 “(4) limit the sharing or use of any information
13 obtained through the administration of the .gov do-
14 main with any other Department of Homeland Secu-
15 rity component or any other agency of the Federal
16 Government for any purpose other than the adminis-
17 tration of the .gov domain, the services described in
18 subsection (c), and the requirements for establishing
19 a .gov inventory described in subsection (f).

20 “(c) SUPPORTING SERVICES.—

21 “(1) IN GENERAL.—The Director may provide
22 services to the entities described in subsection (a)(1)
23 specifically intended to support the security, privacy,
24 reliability, accessibility, and speed of registered .gov
25 domains.

1 “(2) RULE OF CONSTRUCTION.—Nothing in
2 this paragraph (1) shall be construed to—

3 “(A) limit other authorities of the Director
4 to provide services or technical assistance to an
5 entity described in subsection (a)(1); or

6 “(B) establish new authority for services
7 other than those the purpose of which expressly
8 supports the operation of .gov domains and the
9 needs of .gov domain registrants.

10 “(d) FEES.—The Director may provide any service
11 relating to the availability of the .gov internet domain pro-
12 gram, including .gov domain name registration services
13 and supporting services described in subsection (c), to en-
14 tities described in subsection (a)(1) with or without reim-
15 bursement.

16 “(d) FEES.—

17 “(1) IN GENERAL.—The Director may provide
18 any service relating to the availability of the .gov
19 internet domain program, including .gov domain
20 name registration services described in subsection (a)
21 and supporting services described in subsection (c), to
22 entities described in subsection (a)(1) with or without
23 reimbursement.

24 “(2) LIMITATION.—The total fees collected for
25 new .gov domain registrants or annual renewals of

1 *.gov domains shall not exceed the direct operational
2 expenses of maintaining the .gov internet domain.*

3 “(e) CONSULTATION.—The Director shall consult
4 with the Director of the Office of Management and Budg-
5 et, the Administrator of General Services, other civilian
6 Federal agencies as appropriate, and entities representing
7 State, local, Tribal, or territorial governments in devel-
8 oping the strategic direction of the .gov domain and in
9 developing the policies required establishing requirements
10 under subsection (b), in particular on matters of privacy,
11 accessibility, transparency, and technology modernization.

12 “(f) .GOV INVENTORY.—

13 “(1) IN GENERAL.—The Director shall, on a
14 continuous basis—

15 “(A) inventory all hostnames and services
16 in active use within the .gov domain; and

17 “(B) provide the data described in sub-
18 paragraph (A) to domain registrants at no cost.

19 “(2) REQUIREMENTS.—In carrying out para-
20 graph (1)—

21 “(A) data may be collected through anal-
22 ysis of public and non-public sources, including
23 commercial data sets;

24 “(B) the Director shall share with Federal
25 and non-Federal domain registrants all unique

1 hostnames and services discovered within the
2 zone of their registered domain;

3 “(C) the Director shall share any data or
4 information collected or used in the manage-
5 ment of the .gov domain name registration serv-
6 ices relating to Federal executive branch reg-
7 istrants with the Director of the Office of Man-
8 agement and Budget for the purpose of ful-
9 filling the duties of the Director of the Office
10 of Management and Budget under section 3553
11 of title 44, United States Code;

12 “(D) the Director shall publish on a pub-
13 licly available website discovered hostnames that
14 describe publicly accessible Federal agency
15 websites, to the extent consistent with the secu-
16 rity of Federal information systems but with
17 the presumption of disclosure;

18 “(E) the Director may publish on a pub-
19 licly available website any analysis conducted
20 and data collected relating to compliance with
21 Federal mandates and industry best practices,
22 to the extent consistent with the security of
23 Federal information systems but with the pre-
24 sumption of disclosure; and

25 “(F) the Director shall—

1 “(i) collect information on the use of
2 non-.gov domain suffixes by Federal agen-
3 cies for their official online services;

4 “(ii) collect information on the use of
5 non-.gov domain suffixes by State, local,
6 Tribal, and territorial governments; and

7 “(iii) publish the information collected
8 under clause (i) on a publicly available
9 website.

10 “(3) STRATEGY.—Not later than 180 days after
11 the date of enactment of this ~~Act section~~, the Direc-
12 tor shall develop and submit to the Committee on
13 Homeland Security and Governmental Affairs and
14 the Committee on Rules and Administration of the
15 Senate and the Committee on Homeland Security
16 and the Committee on House Administration of the
17 House of Representatives a strategy to utilize the in-
18 formation collected under this subsection for coun-
19 tering malicious cyber activity.”.

20 (2) ADDITIONAL DUTIES.—

21 (A) OUTREACH STRATEGY.—Not later
22 than 1 year after the date of enactment of this
23 Act, the Director, in consultation with the Ad-
24 ministrator and entities representing State,
25 local, Tribal, or territorial governments, shall

1 develop and submit to the Committee on Home-
